OK, thanks. So I'm assuming if we can draft the letter as we discussed on the phone, you'd rather have it sooner than waiting until 2014. If that's the case, we can discuss the language before we send it. Sound good?

The current permit expires in 3/13/2014 and we hope to reissue it as soon as it is about to expire.

Guess that delaying until after reissuance doesn't really solve the current problem !
